Emerald Power Skills
"Bounce back if learning is difficult"

- Pushing yourself and not taking the easy option
- Confidence to be wrong
- Having a go
- No moaning about minor problems especially personal and social
- Being a risk taker
- Keep going and sticking at a task
- Reflect and evaluate
- Volunteering ideas
- Be brave
- Being resilient
- Seeing mistakes as a positive because it leads to learning
- Making mistakes and knowing what was wrong
- Understanding that their opinions are valid even if they are different from others
- Understanding that their is not always a right or wrong answer
