

**Withdrawal from Physical Education notification.**

We always encourage children to join in every P.E. lesson to the best of their ability, even if they have a minor ailment, as we believe it helps build a “can do” attitude.

A child will not be excluded from a P.E. session on their say so, but only on the specific instructions of the parent / carer. If you wish your child to be withdrawn from a P.E. lesson, or there is a condition that the staff need to be made aware of that affects their ability to fully participate in the lesson, please complete the form below and return it to the class teacher.

To avoid confusion please be specific and include any written advice from a doctor if available.

Name of Child:	
Class:	
Date:	
Nature of ailment:	
Withdrawal from P.E.	Complete / Partial
If partial – please give details of precisely what your child should and should not do.	
Until which date is the withdrawal from P.E to take effect?*	
Signature of parent / carer:	

\*Please note that any long term or regular withdrawal from P.E. will need to be backed up by a medical note.
