Advertisement closing date	Tuesday 20th June
Interview date (if known)	Wednesday 28th June

Seend C. of E Primary School is looking for an inspiring KS2 teacher to join our highly successful and well regarded school.

We invite applications from teachers who:

- Have a proven track record of good and outstanding teaching and can inspire our learners
- Have experience of whole class teaching in KS2
- Are creative and innovative in their approach to teaching and learning
- Can prepare the children for the KS2 assessments without losing sight of the bigger picture – success in SATs is NOT our driving force.
- Can continue our great work on mindsets and removing the ceiling on children's learning
- Can inspire our existing staff with new ideas of their own
- Can lead or support a curriculum area in the school
- Can support the Christian ethos of a Church School

In return we can offer you:

- Enthusiastic, motivated and friendly children
- A welcoming and happy working environment where the focus is on the children
- The opportunity to plan the curriculum around your own, and the children's own interests and abilities rather than following a "one size fits all" approach
- The latest interactive touch screen technology (no old fashioned Smartboards)

here!)

- A commitment to continual professional development
- A highly experienced and effective NQT mentor if required
- A place where your contribution to teaching and learning is valued by staff, children, governors and parents
- The opportunity to take a lead in a key area of whole school development for a TLR (if you have the desire and skill to do so!)
- An attractive learning environment with spacious grounds

What the children say about the school:

- We are reminded of what our values are: tolerance, friendship, respect, forgiveness and honesty
- The teachers believe in giving us a good education and encouraging us to be the best we can be
- Our school has no bullies
- We have lovely teachers who would be happy to welcome you

What the children want from their new teacher. Someone:

- Who puts education first – ahead of everything – takes it seriously.
- Who makes learning fun
- Who is kind but not too kind – that would be strange; and strict but not too strict.
- Who can encourage us and keep our spirits up when we don't get everything right.
- Who is there for us when we are upset or worried about something
- Who is an inspirational teacher who encourages us to work as hard as we can.

Ofsted April 2017 stated "For all who work or learn at your school, it is a harmonious place. Pupils' attitudes to learning are exemplary"

Visits to the school are encouraged. Further details (including a full person specification and job description) and an application form are available from the school website or can be emailed on request.

Seend Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All applicants will be subject to a full Disclosure and Barring Service check before appointment is confirmed.
