

Track 6:

Live A Little (Song)

Max: Morning folks, I'm Max Volume and you're waking up to another beautiful day here in Megaville City. What's the outlook, Sunny?

Sunny: Well, Max, the temperature's rising and we're forecasting blue skies, sunshine and a bright and breezy opening number!

All: Birds sing, the alarm clock rings
And you jump right out of bed.
It's bright, not a cloud in sight
And there's blue skies overhead!
It's fine, time to rise and shine,
For adventure's on its way.
Wonderland is just a brand new day!

Why don't you live a little, live a little,
Pick up the pace?
Give a little, give a little
Smile on your face,
Finding the fun, out in the sun
And your life has begun!
Why don't you make a little, make a little
Moment with me?
Take a little, take a little
Time and you'll be
Finding the fun, out in the sun
And your life has begun!

DC: Don't look in your comic book
And don't dream the day away.
Hey Stan, I've a better plan
And we're starting out today!

DC:

Can't sing when you're in the wings
So get on that stage and play.

Chorus:

Ah, ah,
Ah, ah.

All:

Wonderland is just a brand new day!

Why don't you live a little, live a little,

Pick up the pace?

Give a little, give a little

Smile on your face,

Finding the fun, out in the sun

And your life has begun!

Why don't you make a little, make a little

Moment with me?

Take a little, take a little

Time and you'll be

Finding the fun, out in the sun

And your life has begun!

Life has begun!

Group 1:

Why don't you

Live a little, live a little, pick up the pace?

Give a little, give a little smile on your face,

Finding the fun, out in the sun

And your life has begun!

Why don't you make a little,

Make a little moment with me?

Take a little, take a little time and you'll be

Finding the fun, out in the sun

And your life has begun!

Group 2:

Live, live a

little,

live a little,

in the sun.

Why don't you

live, live a

little,

live a little,

in the sun?

All:

When you're living a little! When you're living a little!

When you're living a little! When you're living a little!

Then you can live a lot!

Track 15:

Staggering Stanley (Song)

Gen Commotion: Now, laddy, you've joined the Megaville Marines. My Privates are the finest in the world, and I expect you to follow my orders to the letter. I know you're a new recruit, but I think you can cope with a little drill. Now, fall in!

Stan: Pardon?

Gen Commotion: Fall in!

Stan: Aagghh!

All: Staggering Stanley!
Staggering Stanley!
Your feet are out of step and out of tune.
A horrifying hurricane,
A terrible typhoon,
With all the grace and glamour
Of a big baboon!

Staggering Stanley!
Staggering Stanley!
Your clumsiness is stirring up a stew!
You're staggering us,
A staggering fuss
Like this we never knew.
Staggering Stanley, you're through!

Stan: So then I got a job at the Megaville Museum...

Curator: Now Stan, the Megaville Museum is home to the most valuable artefacts in the world. I know it's your first day, but I think I can trust you with our prize exhibit. This is a priceless ancient vase I brought back from my latest trip.

Stan: Latest what?

Curator: Trip!

Stan: Aagghh!

All: Staggering Stanley!
Staggering Stanley!
Your feet are out of step and out of tune.
A horrifying hurricane,
A terrible typhoon,
With all the grace and glamour
Of a big baboon!

Staggering Stanley!
Staggering Stanley!
Your clumsiness is stirring up a stew!
You're staggering us,
A staggering fuss
Like this we never knew.
Staggering Stanley, you're through!

Stan: **And that brings us back to today!**

Max: **And so now sweet seller Stanley Marvel will present
Mayor Doughnut with his complimentary cake, filled with
jam, covered in cream and lined with butterfingers!**

Stan: **Lined with what?**

Max: **Butterfingers!**

Stan: **Aagghh!**

All: Staggering Stanley! Staggering Stanley!
Your feet are out of step and out of tune.
A horrifying hurricane, A terrible typhoon,
With all the grace and glamour
Of a big baboon!

Staggering Stanley! Staggering Stanley!
Your clumsiness is stirring up a stew!
You're staggering us, A staggering fuss
Like this we never knew.
Staggering Stanley, you're through!
Staggering Stanley, You're through!
(Shouted) You're through!

Track 32: Every Step Of The Way (Pre-Reprise Song)

Stan: **Well, Staggering Stanley does it again. It's my very own Super-power, you know. Causing trouble and ending up with nothing!**

DC: **Cheer up, Stan, you've still got me. We stick together like...**

Stan: **A couple of half-chewed toffees?**

DC: **Exactly!**

Every step of the way,
Every night, every day
You'll find me right beside you!
Every step of the way,
Under blue sky or grey,
No matter what betides you!
We can weather the storm together
So by your side I'll stay,
Just a heartbeat away,
Every step of the way!

Track 52:

Superstan (Song)

Track 67:

Every Step Of The Way (Song)

Gran: Life's full of twists and turns, Stan, and you never know what's around the corner. But you're not on your own. You've got us to help you. And we'll be with you - every step of the way!

Your life is a journey that you have to make.

(Spoken) Are you listening, Stan?

Adventure awaiting you in every step you take.

(Spoken) Oh, that was scary!

But nobody travels all alone.

(Spoken) No they don't, Stan!

When you have a friend to call your own!

(Shouted) We'll be with you!

All: Every step of the way, every night, every day

You'll find me right beside you!

Every step of the way, under blue sky or grey,

No matter what betides you!

We can weather the storm together

So by your side I'll stay,

Just a heartbeat away, every step of the way!

The road can be rocky on the path ahead.

You stumble and tumble, but remember what I said.

For I'm gonna be there when you call,

And I'm gonna catch you when you fall!

Every step of the way, every night, every day

You'll find me right beside you!

Every step of the way, under blue sky or grey,

No matter what betides you!

We can weather the storm together

So by your side I'll stay,

Just a heartbeat away, every step of the way!

We'll be with you!
Every step of the way, every night, every day
You'll find me right beside you!
Every step of the way, under blue sky or grey,
No matter what betides you!
We can weather the storm together
So by your side I'll stay,
Just a heartbeat away, every step of the way!

Track 81:

Behind The Mask (Song)

Stan: Well, I guess I'll have to face The Candy King just as I am. No powers. No suit. Just me - Staggering Stanley Marvel.

I used to fly
Across the sky
With powers all untold,
Just a superhero
With a heart so brave and bold.
But yesterday
Has flown away,
A dream I cannot chase.
I must meet my future face to face.

And now it's time For all the world to see
The hero hiding deep inside,
And set him free. I'll be who I must be
And they will find the one
Behind the mask is me!

I have to leave
The make-believe
And find reality.
Now the game is over
And I'm just a mortal me.
I'll face my task
Without a mask!
The future's in my hand.
Time to be myself and make a stand.

And now it's time For all the world to see
The hero hiding deep inside,
And set him free. I'll be who I must be
And they will find the one
Behind the mask is me!
And they will find the one Behind the mask Is me!

Track 87:

Staggering Finale (Song)

All: Staggering Stanley! Staggering Stanley!
You've staggered us with deeds of daring do!
Though we never knew,
This hullabaloo
Has taught us that it's true!
Staggering Stanley,
You are a hero
Through and through!

Max: **Good morning Megaville! Thanks to Superstan, the city's
waking up to a bright new future! A great day for sunbathing
in Proton Park!**

Sunny: **Sure is, Max. I'm predicting a warm front—and if you turn
over, a warm back too!**

All: Birds sing, the alarm clock rings
And you jump right out of bed.
It's bright, not a cloud in sight
And there's blue skies overhead!
