

# Newsletter November 2020

## Welcome to Term 2

Welcome back to another term at Seend. Though another lockdown is upon us, we are delighted to have the children back in school. They have adapted brilliantly to the changed environment and we are proud of them all. Despite the current restrictions there is still much going on.....

## Parents Evening

Thank you for your positive responses to the parent report summaries and phone conversations. We will reflect on any feedback and questions and communicate accordingly. We are looking forward to the day when we can have quick chats about the children on the gate in the morning again

## Colder weather

With the colder weather, we are still spending as much time outdoors as possible. Please make sure your child has appropriate outdoor clothing and footwear. We know that your children are coming home muddy some days, this is sadly unavoidable as we must use all the outdoor space available. It would be helpful if you could send in a change of footwear/slippers for the classroom

Finally, thank you all for doing your part in keeping everyone safe. Please continue to follow the guidelines by social distancing, wearing your mask to and from school and reinforcing the importance of hand washing.

## Children in Need

The children have come in wearing a fantastic array of outfits and colours today, all to raise money for a very good cause!

## Free School Meals

The covid situation has led to a change in circumstances for many, and you may find that you are now eligible for free school meals. You can check your eligibility and apply at [www.gov.uk/government/publications/free-school-meals-and-pupil-premium-registration-form](http://www.gov.uk/government/publications/free-school-meals-and-pupil-premium-registration-form). If you require any further information or assistance, please contact Miss Iles in the office.

## Important dates for your diary

W/C 1<sup>st</sup> December – Book Fair

17<sup>th</sup> December – Christmas Lunch

## School Remembrance Wreath
